As you can see from the tentative schedule on the reverse side of this memo, the orientation will include a visit to the Supreme Court and Court of Appeals, and general sessions designed to introduce you to the opening and conducting of court. For the breakout sessions, experienced judges will sit down with you to discuss the subject matter of your court. Certificates will be awarded at the conclusion of the orientation.

For those living outside the Jackson area, travel and meal expenses will be reimbursed by MJC, and overnight Marriott accommodations will be complimentary.

All the best to you as you prepare for the election.
