NCRA REPRESENTATIVE GREATEST CAREER ON EARTH

Has all the late night proofreading, the early morning doctors' depositions, the speeding-bullet expert witnesses, the demanding and unappreciative prosecutors dulled your memory of all that this profession has to offer? Maybe it's time to reminisce.

Take a walk down memory lane with Cheerleader of Court Reporting and NCRA Secretary-Treasurer Debbie Dibble as she informs us about what's happening on a national level with an update on all-things NCRA and helps us remember all that this profession has given us and ponder all that it still has to give.

Improve yourself, acquire some new certifications. Become realtime proficient, check out CART and Broadcasting opportunities. Let's stop and smell the roses, the daffodils, the gardenias, and then blast into the bouquets ahead.
